

EARTHQUAKE IN HAITI: How You Can Help

Presbyterian Disaster Assistance (PDA) is our denomination's aid group working with victims of the 7.0 Earthquake in Haiti. All money received for this tragedy will go directly to the areas devastated by the earthquake through PDA. To date, PDA has sent over \$200,000 and pledged at least \$500,000. In addition, funds from the One Great Hour of Sharing Offering enable Presbyterians to

respond on a moment's notice to disasters around the world. This allows our disaster response teams to swing into action at once following disasters such as this earthquake.

Ongoing recovery efforts - particularly the long term coordination of response for which PDA is particularly known - will require additional gifts from members and friends of the Presbyterian Church (USA). The VERY best way we can help the people of Haiti now is through your generous gift to PDA and your prayers to God on their behalf. Your gift will help make a difference in the lives of people who are suffering.

To contribute to the relief effort, make your check payable to Westminster Presbyterian Church and write "Haiti" on the memo line. Your contribution will be forwarded to Presbyterian Disaster Assistance.
