

GIRL TALK - WOMEN'S SUMMER READING GROUP
WESTMINSTER PRESBYTERIAN CHURCH

Summer can be a good time to catch up on the reading we'd like to do all year. And, in keeping with the June mission emphasis on Women's Development, this might also be a time when you'd like to gather with other women to share your thoughts and feelings about books you've read. Conversations about what lies within an author's creation can be a wonderful way to share experiences and deepen relationships.

GIRL TALK will be a series of five book discussions that will take place on Wednesday evenings this summer. We've chosen books and group leaders for the first four dates, but are leaving the fifth one open for....discussion.

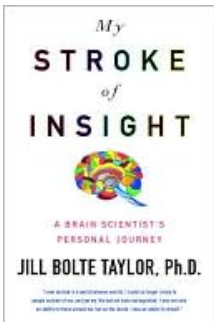

Don't feel that you have to attend all five but, whichever dates and/or books work for you, it will be a great way to get to know other women better. Look at the books that have been chosen – maybe you've even read one or more of them already. And join this newly forming group for some inspirational discussion and just plain fun!
